Digital Marketer | Google Ads & Meta Ads | SEO & Content

Dehradun, Uttarakhand, India | +91 82180 89292 | kathaitaditya182@gmail.com | linkedin.com/in/adityakathait | Portfolio: aditya-portfolio-one.vercel.app

PROFESSIONAL SUMMARY

Digital marketer with 2+ years of experience planning and executing Google Ads and Meta Ads campaigns, combined with SEO and content strategy, for education, travel, and hospitality clients across Uttarakhand, India. Drives measurable growth by pairing paid campaigns with organic search and social strategy, contributing to double-digit percentage gains in inquiries, engagement, and sales across client accounts. Also builds and ships functional web app prototypes using AI-assisted ("vibe coding") development tools.

CORE SKILLS

Paid Media: Google Ads, Meta Ads, campaign planning, budget management, audience targeting

Organic Growth: Search Engine Optimization (SEO), social media content strategy, influencer & creator partnerships, hyperlocal marketing

Analytics & Measurement: Google Analytics 4, Microsoft Clarity, Google Search Console

Design & Content: Canva, Adobe Photoshop, Adobe Premiere Pro, AI-generated ad creative and copy

PROFESSIONAL EXPERIENCE

Digital Marketing Executive — UIMT College, Dehradun

Feb 2025 – Feb 2026

- Plan and manage Meta Ads and Google Ads campaigns to drive admission inquiries, contributing to 63% seat occupancy in one admissions cycle.
- Combine paid campaigns with SEO and organic social content, increasing total admission inquiries by 40%.
- Produce Instagram reels and creative content that grew brand visibility across the college's social channels.

Freelance Digital Marketer — Rishikesh Nomads

Mar 2025 – Dec 2025

- Managed paid Google Ads campaigns alongside organic SEO and social content targeting international travelers, growing engagement by 25–30%.
- Directed a paid creator and influencer partnership program on Pinterest and Instagram to acquire early users for a community travel app.
- Built and shipped a community travel app (posts, likes, comments, saves) using AI-assisted development tools; deployed on Vercel and adopted by the client.
- Tracked on-site user engagement and behavior using Microsoft Clarity to inform content and campaign decisions.

Freelance Digital Marketer — Bansal Travels

Aug 2025 – Nov 2025

- Ran a short-term, targeted Google Ads campaign for a cab service offering, generating qualified inquiries within a 2-day cycle.
- Paired paid search with SEO recommendations, contributing to a 15–20% increase in overall travel agency sales during the engagement.

Marketing Executive — Jaideep Restaurant, Dehradun

Oct 2023 – Nov 2024

- Handled on-ground marketing and delivery operations, running hyperlocal promotions that increased delivery orders by 35–40%.
- Managed the Google My Business listing to improve local search visibility.

PROJECTS

Community Travel App (Rishikesh Nomads): AI-assisted community travel platform with posts, likes, comments, and saves; deployed on Vercel and adopted by the client.

Interactive 3D Marketing Portfolio: aditya-portfolio-one.vercel.app — case studies, services, and results built with AI-assisted development tools.

ADDITIONAL SKILLS

AI-Assisted Web Development ("Vibe Coding"): Uses AI-assisted development tools alongside React, Vercel, Git, and GitHub to build and ship functional web app prototypes and portfolio sites.
