PROFESSIONAL SUMMARY

Digital marketer with 2+ years of experience planning and executing Google Ads and Meta Ads campaigns, combined with SEO, WhatsApp marketing, and content strategy, for education and travel/hospitality clients across Uttarakhand, India. Drives measurable growth by pairing paid campaigns with organic search, social, and direct messaging strategy, contributing to double-digit percentage gains in inquiries, engagement, and sales across client accounts.

CORE SKILLS

Paid Media: Google Ads, Meta Ads, campaign planning, budget management, audience targeting

Organic & Direct Growth: Search Engine Optimization (SEO), WhatsApp Marketing, social media content strategy, influencer & creator partnerships, hyperlocal marketing

Analytics & Measurement: Google Analytics 4, Microsoft Clarity, Google Search Console

Design & Content: Canva, Adobe Photoshop, Adobe Premiere Pro, AI-generated ad creative and copy

PROFESSIONAL EXPERIENCE

Digital Marketing Executive — UIMT College, Dehradun

Feb 2025 – Feb 2026

- Planned and managed Meta Ads and Google Ads campaigns to drive admission inquiries, contributing to 63% seat occupancy in one admissions cycle.
- Combined paid campaigns with SEO and organic social content, increasing total admission inquiries by 40%.
- Ran WhatsApp marketing campaigns for admissions follow-up and announcements, contributing to a 25% increase in website visitors.
- Produced Instagram reels and creative content that grew brand visibility across the college's social channels.

Digital Marketer — Rishikesh Nomads (rishikeshnomads.com)

Jan 2024 – Jul 2026

Remote, Part-Time

- Managed Google Ads campaigns alongside organic SEO and social content targeting international travelers, growing engagement by 25–30%.
- Ran WhatsApp marketing for direct traveler communication and bookings, driving a 30–45% increase in engagement during peak tourist season.
- Directed a paid creator and influencer partnership program on Pinterest and Instagram to acquire early users for the brand.
- Tracked on-site user engagement and behavior using Microsoft Clarity to inform content and campaign decisions.

Marketing Executive — Jaideep Restaurant, Dehradun

Oct 2023 – Nov 2024

- Handled on-ground marketing and delivery operations, running hyperlocal promotions that increased delivery orders by 35–40%.
- Managed the Google My Business listing to improve local search visibility.
